

powered by LOMINGER 

Join us at the Atlanta Client Enrichment Series (formerly called Lominger User Groups)

Do you have the right talent to achieve your strategy?

Do you have consistent, integrated & sustainable processes to optimize your talent?

Do you have a plan to attract, engage & retain your best people?

Come share & learn answers to these important questions and more.

For more information contact Nick Huck at 952.345.3646 or at Nick.Huck@kornferry.com

Driving Your Talent Development Strategies

Atlanta Client Enrichment Series session
hosted by Bank of North Georgia

Wednesday, August 18th, 2010, 8:30 a.m. – 3:00 p.m.

Bank of North Georgia,
1200 Johnson Ferry Rd.,
Marietta, GA 30068

\$75 (Breakfast and Lunch Included)

Learn how other companies are using tools in the Leadership Architect® Suite to enhance organizational and individual effectiveness and improve HR processes

- Meet local Korn/Ferry powered by Lominger users, share your experiences and gain best practice ideas from other industry experts (Includes presentation from Randy Patterson, VP-Human Resources, North America and Tricia Brennesholtz, Global Director of Learning and Development from Recall)
- Hear about the latest Korn/Ferry powered by Lominger research (Includes findings from a just published decade-long study of one company's developmental success)
- Discover cutting-edge tools you can use to improve development programs in your organization (Includes an overview of new and enhanced tools in the Leadership Architect® Suite)
- Build a community of practitioners in your area (Includes opportunities to hear from other local organizations about their talent development strategies and implementation techniques)

THE ART
SCIENCE 
OF TALENT
