Clackamas Fire District #1 (Portland)

Details

Dates: Seattle - October 15, 2008

Portland - October 16, 2008

Cost: \$75

Leadership Development

Please join us at the upcoming Seattle or Portland Lominger Users Group. Due to popular demand, Lominger has added a separate event in Portland. Don't miss this opportunity to meet local Lominger users, share your experiences and gain best practice ideas from other industries. Learn about the latest developments in Lominger research and products.

The individual registration forms for both events are attached to this email for your convenience. Please fill out the form indicating which city you would like to attend and return to marni.benson@lominger.com in order to reserve your spot at the event. Once received, you will be sent confirmation and event location information. Please note that the agenda for Seattle and Portland are the same so there is no need to attend both.

Seattle ~ 10/15/2008 ~ Agenda
